How it works:

Select your Products

Option 1: Pre-selected Packages - Quick and simple! A pre-selected package is a collection of new and popular accessories that we select for you based on current trends and historic bestsellers. Depending on the size of your event you can select from a \$800 or \$1600 retail value package.

Option 2: Choose-your-own Package - Choose your own combination from the merchandise featured in our catalogue. Your order should be based on the number of people you expect to attend your sale and an estimate of how many will make a purchase (All orders based on available inventory).

Submit your Order

Submit your order via email. If you are selecting option 2 please list product codes with product names, colors, and quantities via email to: contact@maliadesigns.com and call 773-857-0779 with credit card information to cover shipping cost and to hold your order. *Please allow up to 7-10 business days for shipping from our warehouse in California.

Receiving your Order

An invoice will be enclosed in your shipment, including standard UPS ground shipping costs. Unpack the box and check off the items on the invoice to ensure your order is accurate. Keep the invoice on hand for use when returning any unsold products. *It is best to highlight items that are sold on the invoice to insure accurate bookkeeping.* Please let us know immediately if any items are missing, damaged, or incorrect via phone or email before your sale.

Keep the boxes and any bags/packing materials for re-packing purposes to safely pack any unsold items that you will be returning after your sale.
